## **National RCV Expert and Tasty Mock Election!**

ANCHORAGE- Alaskans for Better Elections will be in Juneau, Alaska on **Wednesday, September 28, 2022** hosting a tasty mock election with national Rank Choice Voting (RCV) expert, Grace Ramsey with [Democracy Rising](#).

Ramsey has spent the last 9 years working on RCV and, as the Co-Director of Democracy Rising, she supports implementation of RCV systems with specific focus on voter engagement and education.

One of the most effective ways to familiarize yourself and build confidence with a new system is by participating in a low stakes test run. Alaskans for Better Elections is hosting a tasty mock election and strongly encourages Juneau residents to work through an understanding of Alaska's Election System with 8 varieties of M&M candidates.

Community members are invited to attend the mock election at **Barnaby Brewing, 165 Shattuck Way, Juneau, AK 99801**, on **Wednesday, September 28, 2022** from **5:30pm-7pm**. Ramsey and members of the Alaskans for Better Elections team will be available to answer questions as voters prepare for the November 8, 2022 General Election.
